

After the continued great success of the Promotor Finesse..

We are pleased to now introduce to our range
its smaller brother **Promotor Finesse2**

Promotor 
promotional displays

Promotor Finesse2

- The same concept and features as the Promotor Finesse the difference being its overall size - 800mm(w) x 910mm(h)
- Lightweight product only weighing 8.25 kgs
- Single piece graphic wrap for ease for attaching, and saving time on graphic application and production
- Quick and easy to assemble in less than 2 minutes
- Durable high quality carry bag comes complete with product and assembly instructions
- Flat strong top with reinforced panel available in Black and now White Leatherette finish as standard. Silver and Wood effect available as a cost option
- Rear opening a generous 425mm(w) x 810mm(h)
- Pole and header set available when required
- Very competitively priced high quality product direct from the designers and manufacturers

Assembly time
less than **2** minutes

We believe the best graphic to be used for this product is a direct print to Nuroll 175gsm and laminated to front and back with 125gsm matt laminate giving a total thickness of 425 Microns.
